As a registered user, many details will already be filled in on the checkout form. Ensure your delivery address is correct, add any extra information that will help us process or deliver your order, enter your PO Number, tick the GDPR box, then click the 'Proceed' button. You'll then be taken to a screen where you can review and confirm your order.

Merchandise Website Help Sheet

Click a link to a category and you'll see a product grid with a picture of each product, the name and the price. Click the name or picture and you'll see further details for that product and you'll be able to add it to your shopping basket.
